- All meeting notes and minutes for any organizing committee tasked with crafting and submitting the application for the grant
- All letters, emails, or other communications received from the Smart Cities Council or any representative thereof for the period between the date this jurisdiction initially registered for consideration for the Challenge and the date on which the Challenge grant was awarded.

- The Receipt and Use of the Award

- All letters, emails, or other communications (including any attachments) received from the Smart Cities Council from the date the Council awarded the 2018 Smart Cities Council Readiness Challenge grant through the date this request is processed. Please include the initial notification letter and any subsequent directives or guiding material.

- Any and all roadmaps, itineraries, or similar guiding materials designed for use as part of this jurisdiction's implementation of Smart Cities initiatives.
- All materials related to the development or provision of any and all deliverables created or intended in relation to the Smart Cities grant.

If additional agencies or jurisdictions would also have responsive or associated materials, provision of the names of those entities would also be appreciated.

Please provide materials on a rolling basis, if possible, beginning with any materials related to the agreement between this jurisdiction and its partners and the Smart Cities Council.

If your office has any questions, please feel free to contact me at 617-299-1832.
